## **PRIED** UP THE ROTTEN FLOOR.

They Were Put in the Women's Pen to Await the Arrival of the Prison Van.

THEM RECAPTURED.

For Years the Court-Room Has Been Flimsy and Dirty, but Nothing Has Been Done.

Police Justice Tighe and Clerk Joseph McGarry, of the Butler Street Court, Brooklyn, were at their wits' end this norning to prevent another delivery of prisoners from the sweat-box cells of the rickety old Court-House.

The Butler Street Court-room is a kind of weather. During the last few son, the United States Consul at Foo-

other pen is usually devoted to accompany them. women. When there is a "full house" women are huddled together in a corner of the court-room in charge of an officer. There were nineteen of them yesterday Some time ago a woman broke through the rotten planks in the floor and was nearly killed. The hole was

patched up by nailing a board over it. Yesterday, after the mass of prisoner been disposed of, Charles B. Thurber, thirty-five years old, of 240 East waiting for the prison van to take him the women's cell. With him was John Killaher, fifteen years old, charged with

vagrancy. Thurber, who was charged with steal ing a watch, found a poker in the cell. He put the end of it under the board patch covering the hole in the floor

and pried it up. He soon had a space large enough to drop through. He invited the boy with him, and they made an easy escape. Their absence was not discovered until they had been gone some court officers at once went out

to look for the missing prisoners. Con-stable John Cole found Thurber on the roof of a house in Bergen street, near Smith, hiding behind a chimney. boy has not yet been found. Thurber is in Raymond Street Jali now.

Justice Tighe will make another effort to have the cells made secure. Clerk McGarry says that an iron floor for the cell was promised, but up to date they have seen nothing of it.

### WAGES UP 10 PER CENT.

Rolling Mills began operations again yesterday after a sant-stown of sixty days. The men will be required to work night and day in order to keep up with the large number of orders received. It is said that there will also be an increase of work in the uptown districts of the city for a long time, and the police believe they have seen implicated in forty or fifty burgheries.

The Detective Bureau has been at they were before the dull times, two years ago.

Striking Tailors Become Riotous.

it in Allegheny, struck yesterday for advance of cents her day in wages. Other men were se-red to take their places and to-day the strikers ed to drive the new men from the work, uses, clubs and revolvers were freely used and o Italians had their heads split open in the ice. The mob was dispersed by the police.

in the Criminal Court Building, when a man, who said his name was Colligan, came up to him and addressed him as Mr. McLaughlin. He had m.staken him for Lawyer James L. McLaughlin, whom O'Brien much resembles. "Hello, McLaughlin," he said, "you're just the man I'm looking for. I have a friend in Harlem who has a violin for which a reward is offered. I want The fallors' Strike is Done. The Executive Committee of the Brotherhood of Tailors will meet to-night at 30 Suffolk street for which a reward is offered. I want you to act as a go-between and get this money for him.

Acting-Captain O'Brien scented a mouse in an instant, and promised to do what he could. He communicated with Lawyer O'Brien, and arranged to meet Colligan at the 'awyer's house, 101 West Eighty-first street, last Saturday evening. Colligan said he would bring his friend with him. tailors who were on strike returned to work this morning for contractors who had signed the Brotherhood's agreement. Two hundred workmen are still out, but Secretary Herman Robinson says the idea of a lockout is ridiculous.

### IN THE WORLD OF LABOR.

The Housesmiths and Bridgemen's Union will parade on Labor Day 1,200 strong. Union carpenters have been ordered on strike on St. Luke's Hospital by Walking Delegate Gail-lard.

The Jacket-Makers are trying to have con-tractors sign new agreements without resorting to a strike. Miss Maggie Laughlin has been elected Pinan-dial Secretary-Treasurer of Tobacco-Workers' Union No. 7.

This time Callahan came alone and brought the violin. He had no sooner entered the house than he was arrested. He broke down and made a full confession. As a result the other members of soon. Halirond Traitmen.
This evening the delegates to the first annual Convention of the International Upholstarers' Union will report to their copatituents.

Joseph H. Werus, 172 East One Hundred and Twelfth street, has been elected Secretary of the International Plane-Makers' Union. Nominations for new officers are to be made at this evening's regular meeting of the Plain and Ornamental Operative Plasterers' Society. The receipts for dues from local unions of brewery-workers at General Secretary Ernest Ku-zenknabe's office last week amounted to \$616.51. The Employment Bureau of the Amalgamated Brassworkers' Union has been removed to E2 First street. The new office manager is E. Skalla.

Delegate Parks, of the Paper-Hangers' Union has induced the non-union men who were em-ployed on the job at Seventy-seventh street and Columbus avenue to join his organization. Iran moulders are discussing a proposition to demand the eight-hour workday wherever they have local unions before the end of the present year. Howe-plain moulders are to work only seven hours per day. last evening. Two night watchmen and several policemen scared them away before they had stolen anything of value.

The thieves escaped through the back yard of the house, firing at a policeman as they went. The policeman returned the fire, but did not hit either of the men. The Board of Walking Delegates instructed it

Secretary yesterday to request the Board of Edu-cation to withheld payments from Contractors Jameson and Tichoid until they comply with the law regulating hours and wages on public works. The electrical contractor who employed non-union whereno on the repairs at the Hofman House has notified the Beard of Walking Dele-John Ahlers and William Collins, who say they

Painters are on strike at the shop of Hess & Co., Eighteenth alrest and Broadway, demanding \$1.50 for painters and \$4 per day for decorators, tentractors L. Mayor Strong Unable to Deliver the Address of Welcome.

Lairing the next four days the five buring the next four days the five best Silax, which place between Nerthport and hundred braves of the improved Order New York. He testifies as follows to his wonder of Red Men, who have come to town til ever. When I went to Distors McCoy and from all parts of the State as delegates. to attend the twenty-eighth annual ses- with me. The Doctors told me I had caters s.on of the Great Council of the order, of the head, throat and stomach.

or more of the braves had gathered in the large hall. Chairs were arranged on the main floor for the delegates, while the seats and boxes in the galleries were reserved for ladies and friends of the members. In one corner was stationed the Red Men's Band. Before the opening of the session the delegates gathered in groups about the

the probable result of the election of officers which takes place to-morrow. It was said that Great Sachem Char opposition by Howard Evans, of Schenectady, the present Great Senior Saga more, which the office of the Great Keep- Mucus dropped from my

hall and at the entrance and discussed

Records for the Grand Council, will be re-elected.

It was expected yesterday that Mayor Strong would be present this morning to open the public session of the Great Council and maks an address of welcome to the delegates, but he sent word late last night that it would be impossible, and he delegated President Jeroloman, of the Board of Aldermen, to represent him.

When President Jeroloman drove up to the Wigwam in his carriage at 10.30 A. M. he was received by the entire Reception Committee headed by Chairman Adam Brown.

He was escorted up the stairway in great state to the hall where Great Sachem Ohart and all the other officers stood on the platform to welcome him. Chairman Eugene A. Wise introduced the Mayor's representative, who then told the assembled braves, that the cite

Chairman Eugene A. Wise introduced the Mayor's representative, who then told the assembled braves that the city extended to them a hearty welcome and that Mayor Strong had authorized him to present each and every delegate with the liberty and freedom of the metropolis of the great Empire Sta'e, and hoped they would all have a good time.

He paid a glowing tribute to the order for its extensive chartable and benevolent work, and then branched off into a discussion of the excise question.

He said the laws which were now being enforced were not "blue laws," but laws which had been passed by the Legislature only three years ago. So long

islature only three years ago. So long as they were on the statute books they ought to be enforced, whether good or bad. If bad laws the only way to get rid of them was to ropeal them.

After his speech Fresident Jeroloman was publicly invited to attend the banquet of the Red Men at Lyric Hall tomorrow night, and he at once accepted. Great Mishenewa Joseph H. Beglan welcomed the Great Council on behalf of the Tribes of New York, Kings. Queens, Westchester and Richmond Counties, and a response was made by Great Sachem S. Jay Chart in behalf of the Council.

Before kindling the Great Sun Council Fire, which is the way the Red Men have of speaking of their secret conclaves, Mrs. Charles De Witt Lane, of this city, Past Chief of the Naomi Council of the Degree of Pocahontas, which is the squaws' branch of the Improved Order of Red Men, made a speech. It called forth enthusiastic appliance.

After this all but the delegates were excluded from the hall and the Council lighted its fire and went into secret session.

## THE ENGINEER GOT DRUNK. He Made Things Uncomfortable a

John Klingel, William Lyon and R. H. Squire, of the Puzzlers' Club, and two officers of the side-wheel steamer, J. G. Emmons, of the New York Harbor Towboat Company Towboat Company, appeared before the United States Board of Local Steamboa Inspectors this morning to complain against ex-Chief Engineer George B. Emmons, who, they allege, conducted himself in a disorderly manner while drunk during an excursion of the Puzzlers Club to Rye Beach, last Wednes-

During the day, it is charged, the During the day, it is charged, the engineer got drunk, and on the way home appeared among the excursionists with a hammer. He was disarmed three times, but returned to the engine-room and provided himself with a fresh weapon. He kept the women in terror, until some of the excursionists bound him and threw him into a corner of the engine-room, where he remained until the steamer reached New York.

# WHO CURE.

They Add Another Chapter to Their Big Book of Wonderful Cures-The Case of Mate John Van Gordon. Who says Doctors McCoy and St. John's Medicines Are Like Magie - They Offer Free-Test Treatment to All Who Apply,

Another interesting case discharged as cured by Doctors McCoy and St. John due to the prominence of the individual, is cited this week in the person of Mr. John Van Gordon, who lives at Northport, Long Island. He is mate of the

MATE JOHN VAN GORDON. "My head was always stopped up. I cought old easily and my head felt full and heavy. more, which the office of the Great Keep-er of Wampum would fail to John Orr, and into my stomach, and I would hawk and spit jr., of Orr's Mills, N. Y. Mark A. Dun-and gag, especially in the morning. I had pains ham, of Binghamton, who has been all over my body, and especially in my chest for many years the Great Keeper of and my stomach and back, I was always tired. Records for the Grand Council, will be I had no life or ambition in me. I felt depressed in spirits and my work was a burden to me. I lost my appetite, I had full bloted feel-ings and my stomach pained me. To-day I stadie estify to my wonderful improvement.

'My throat is free from mucus My stomach no longer feels full and bloates "I awake refreshed in the morning

My ambition has returned. All my pains have left me. "I want to express my gratitude for all De tors McCoy and St. John have done for me. "Their medicines act like magic."

Nature lends ber a d to the work of th

physicians. The liability to catching cold

is reduced to the minimum. As a rule one mouth's treatment in the Summer is worth two in the Winter. FREE TEST TREATMENT.

For the benefit of those who have no definite spowledge of the work or reputation of Doctors McCoy and St. John in the treatment of all are free. There is positively no charge for consultation, examination, test treatment and medi
